

Anatomy of a Social Media Account

CASE: _____

Detective: _____

DIRECTIONS: Use this template to dissect a social media account in order to discover clues about its credibility and the person behind the username!

1.

2.

3.

4.

5.

1. What is the name of the platform?
2. What is the account's username? Do they have a profile photo associated with their account?
3. If the platform offers account verification, can you tell if this account has been verified?
4. Does the bio/about me page contain any official or suspicious information?
5. Can you tell anything else from who follows this account or from the other accounts this one follows?

Conclusions? What does your gut tell you about this account?
